[redacted] advised on 5/28/70, that he was in touch personally^{b7D} with SALERNO recently and asked for a number to call in order to place bets. SALERNO said to call [redacted] which he subsequently did. However, [redacted]

[redacted] said he would remain in touch with SALERNO and attempt to develop pertinent information.

On 6/9/70, [redacted] advised that MORGAN who was taking bets at Club 50 on Highway 15, Kenosha, Wisconsin, refuses to deliver money and bets to SALERNO in Kenosha. Therefore, SALERNO travels on certain days of the week to the Club 50 to pick up the money and bets from MORGAN. He advised that

b6

b7D

[redacted] in Kenosha, Wisconsin, apparently for [redacted] and AL DE CESARO had refused to take any of [redacted] bets. As a result, MORGAN had increased his betting operation picking up [redacted] bets recently.

On 6/29/70, [redacted] advised that daily racing forms were received at the Doughnut Hole in Kenosha, Wisconsin, on a daily basis at approximately 7:25 p.m. These forms could be purchased for 75¢ each and were believed to be brought by the Greyhound Bus to Kenosha and then picked up by someone and taken to the Doughnut Hole and then to Becker's Cigar Store in Kenosha about five minutes later. Apparently these are ordered by customers at the Doughnut Hole.

b7D

On 6/30/70, [redacted] advised DEAN NORTHCUTT, Owner, Turf & Twig Tavern, Wheeling, Illinois, met this date with LOUIS GEROLMO at [redacted] Kenosha, Wisconsin. NORTHCUTT won \$1200 on horse bets recently placed apparently telephonically from Illinois with GEROLMO. GEROLMO did not have cash to make payment, and NORTHCUTT agreed to meet him [redacted] to obtain payment for bets he won. Informant is of opinion [redacted] that GEROLMO may have made partial payment on this [redacted] NORTHCUTT is described as a white male, 5'10" tall, curly black hair, good looking but with pot belly, drives 1966 or 1967

b7D

[redacted]

Olds Convertible, black over red, with Illinois license. Telephone number of Turf and Twigg was recently changed from 1-312-537-9564, home of NORTHCUTT, to 1-312-541-2770. NORTHCUTT believed to be making telephonic bets with GEROLMO from Illinois just prior to post time about 2 p.m.

[redacted] advised SALERNO [redacted] Kenosha, Wisconsin. SALERNO is paying MORGAN who operates tavern, 15 per cent of action there.

On 7/1/70, [redacted] made available a copy of the "Daily Racing Form", Volume LXXVI, No. 156, dated Wednesday, 7/1/70, Chicago, Illinois, price 75¢. Informant purchased item at [redacted] in Kenosha, Wisconsin. According to observation by informant, 10 to 12 copies were received at [redacted]. Informant observed one elderly white male, approximately 60 years old, 6'2", 220 pounds, meet another gray haired short white male inside. Smaller of two bought Sun Times and both left together. Informant observed a white male driving a green-colored late model Cadillac bearing Illinois license at Doughnut Hole, and shortly thereafter, [redacted] racing forms were received in business establishment. Driver was gray haired and about 50 years old. Informant also observed a white male, 6'2" tall, black hair, dress shirt, enter [redacted] and obtain four daily racing forms and return to George's Tavern down the street.

Informant advised "MORGAN", who operates book out of Club 50, drives a dark-colored 1966 or 1967 Buick and apparently splits booking earnings with owner of Club 50.

On 7/8/70, [redacted] advised that [redacted] one of the largest known bookies in the Wheeling, Illinois, area is associated with "ROCKY" (LNU), who is a well known handicapper in that area. [redacted] allegedly handles a [redacted] a week gambling operation and uses [redacted] takes 12 to 15 horses a day which is supposed to be good odds. Of these horses, [redacted] picks approximately 6 to bet. He then

[redacted] b7E

notifies DEAN NORTHCUTT and gives him the order of horses and how much to bet on each and then instructs him to place bets with known bookies. NORTHCUTT then is believed to use a public phone in the Turf and Twig Tavern in Wheeling and places bets with bookies in Kenosha, Wisconsin. Until just recently, NORTHCUTT has been placing bets with LOUIS GEROLMO, but recently busted GEROLMO, having won a large quantity of money from him in a round robbin. As a result, GEROLMO has agreed to furnish NORTHCUTT individual and phone number of a large wealthy backer in Kenosha who will handle 50/50 round robbin bets in Kenosha. NORTHCUTT has been [redacted] b6 b7C b7D

[redacted] NORTHCUTT is a partner with [redacted] (ph), at Cheetah's Bar in Kenosha.

Due to a recent hit by NORTHCUTT on round robbin against ANGELO GERMINARO and LOUIS GEROLMO, GEROLMO apparently went broke and is no longer handling books.

Informant advised that [redacted] b7D

Informant believes, however, that GEROLMO still owes him money and has agreed to contact this person of wealth in Kenosha and furnish phone number so NORTHCUTT can place 50/50 round robbin bets with his unknown person.

[redacted] SALERNO, DE CESARO, GENE THOMAS, and ANGIE GERMINARO met and agreed to allow GERMINARO take book for all by phone and split proceeds so no one could take them again on the round robbin as NORTHCUTT had recently don. b7D

SALERNO also recently contacted DE CESARO as the business at Club 50 had become too big for him to handle, and DE CESARO and SALERNO had apparently gone in to handle the action there.

Informant believed that GERMINARO [redacted] b7D
[redacted] to take the bets during the period 11 a.m. to 4 p.m. daily.
